

# DISRUPTED

With 2020 behind us, we look forward with great expectation to a New Year. Not only is it a new year, it brings hope to an end of the devastating impact the COVID-19 virus has had on our world. There is no better place in God's Word to commence our New Year, than in the first chapter of Paul's letter to the church in Philippi... and a new series of messages entitled 'Disrupted.'

Paul writes these words, socially isolated from his dear friends, in very much the same manner we have had to experience this holiday season. Our lives, traditions and rhythms of everyday life have been disrupted. It is within this experience however, Paul offers hope that through the love of God we can 'discern what is best' for the coming year. God has a plan and a partnership for us to embrace in 2021!

## THE 20/20 PROJECT

### The 20/20 Project is BACK!

And this time, we've incorporated lots of improvements!

Now, you can track your progress, add favourites and more! Going forward, we will also upload each devotional further ahead - so whether you read at 6AM or 6PM, the devotional will be waiting for you.

To subscribe for daily reminders, please go to [the2020project.ca](http://the2020project.ca) and sign up for a new account.

Just as we did last year, we'll read daily Bible verses and devotionals written by our own Foothills family and friends. It is our hope that by creating a more consistent Bible reading plan, you will hear God's voice more clearly in your life. Thank you for allowing us to continue journeying with you to know God, love others, reach neighbours and serve the world!
