

TILL DEATH DO US PART 1?

This weekend we commence a new series on 'Relationships,' and rightly so! Covid has placed incredible pressure on our households over the past year and, to some extent, our relationships have borne the brunt of the disruption around us. It is fitting to be reminded that through our relationships with each other, we can experience God's presence practically and powerfully.

Specifically, we will be focusing on the uniqueness of marriage, unpacking foundational principles that allow us to look afresh and anew at a union that reflects Jesus relationship to his bride, the church!

Twelve church couples were surveyed related to their marital experience and their feedback is reflected in our message. Through digging into Eph. 5:21-33 and Eccl 4:8-12, we will see how the principles of submission, synergy, support, security and strength emerge in God's design for a healthy marriage.
